

# Telescope Renaissance

*Celebrate 400 years  
of discovery with  
the telescope!*

**Friday, August 28**

**4:00 to 8:00 p.m. at Toscana Park**

North of Cleveland Rd. (SR23), off Gumwood Rd.

Bring your old telescope if you have one. The Michiana Astronomical Society (MAS) will help evaluate your telescope, make minor repairs, show you how to use it, and reintroduce you to the wonders of the night.

- ✦ Make-and-take a star-finding wheel
- ✦ Learn constellations in a portable planetarium
- ✦ Discover how telescopes work with hands-on activities
- ✦ Practice telescope skills with a First Quarter moon
