

National Optical Astronomy Observatory

Kitt Peak National Observatory • Cerro Tololo Inter-American Observatory • NOAO Gemini Science Center

Dear Dark Skies ambassadors,

Welcome to GLOBE at Night!

To facilitate any plans you may have to carry out GLOBE at Night in your community, here are some handouts included on the CD:

Name of File	Contents of File
GaN2009ActivityPacket_Teacher.pdf GaN2009ActivityPacket_Family.pdf	Teacher and family packets explaining how to do the GLOBE at Night program
GaN2009presentation.pdf	A presentation on how to do GLOBE at Night
GaN2009Flyer.pdf GaN2009postcard.pdf	A flyer and a postcard for advertising the GLOBE at Night program
GaN2009certificate.pdf	A certificate of completion for students
GaN2009_SQMdata_template.xls GaN2009_SQMdata_template.pdf	An excel file and a pdf file for an alternative way to input multiple measurements
IYA2009_DarkSkies_Programs.pdf	Poster handout on overall dark skies programs for the International Year of Astronomy
GaN2009_using_SQM.pdf	A packet explaining how to do the Sky Quality Meter part of GLOBE at Night plus a demo on shielding & tutorial on light pollution
GaN2009_ShieldingDemo.pdf	A document about light pollution, compliant lighting and a light pollution demonstration
GaN2009_Observations.pdf	A document about how to take the unaided eye GLOBE at Night observations

We hope this is helpful. If you have any further questions, please do not hesitate to contact me at 520-318-8535 or cwalker@astronomy2009.us.

Best regards,

Connie Walker
GLOBE at Night Manager at NOAO
Chair, US IYA "Dark Skies are a Universal Resource" Key Program
Chair, global IYA "Dark Skies Awareness" Cornerstone Project
Senior Science Education Specialist
Associate Scientist
